Dolly Parton's Imagination Library of Knox County's Advisory Board is hosting its sixth annual fall luncheon to support early literacy. Funds raised during our luncheon will support the monthly cost of books and mailing for 20,000 Knox County children. The 2023 Legacy of Readers Luncheon drew close to 250 business and community leaders and raised \$90,000—books for 6,000 children in Knox County for an entire year.
