

Avatar Action Figure and Companion

Time to choose your adventure! Is your character dancing? Hiking? Playing catch? You decide! Add your own features, outfit, and details to bring your character to life. Color directly on your figure, or layer clothing, accessories, and tools. Cut out your character and companion(s) and assemble the stand.

To form the stand, fold each side back on the dotted lines to form a triangle shape. Fold and glue/tape tab to secure.
